[1] Examination protocols of British and American academic institutions have inspired the language of the examination instructions featured in this PROBAT version.

Fill out the table below with your <u>final answers</u>. Be advised that the examiners shall regard <u>any evidence</u> of the insertion of a <u>correction</u> in <u>any of the boxes</u> in the "ANSWER" column, as evidence that you have answered <u>incorrectly</u>.

Factor in the time to fill out the table with the necessary care, therefore, and avoid making transcription errors.
